ב"ה

Elul 5776, September 2016

The varieties of palm fruits grown in the plantation of Kibbutz Samar are:

Barhi, Deglet Nour, Majhool and Zahidi, and are under my care.

All are strictly kosher for Pesach and to all year round.

Tithes and donations ('Trumot u Maasrot') were taken lawfully and have no fear of Orla.

No work was done on Saturday

Moshe Hadaya

Chief Rabbi of Eilat and Region
